Goods sold shall have the benefit of any warranty given by the manufacturer and will only be considered if return of the goods or any part of them is in accordance with the HMs warranty policy but HM shall not be liable for any loss or damage either direct or consequentially arising out of any defects arising from the use of the goods. Consumable goods are not covered by any warranty.

Although every care is taken to ensure that all second-hand goods supplied by HM are of merchantable quality, no warranty is expressed or implied unless otherwise stated.

Warranty will be void if goods or labels have been found tampered with. Warranty does not cover any damage to other equipment used in conjunction with these goods.

Charges and Payment

All prices quoted in the Standard Service Charges List are GST exclusive and are in New Zealand dollars unless otherwise specified. Prices are based on a per unit rate as shown, however we would be pleased to offer a fixed price quote on larger projects if this is preferred. We reserve the right to adjust prices without notice. HM may require payment in advance for the supply of any procured goods or sub contract labour. If an on account payment is offered, payment of the account is due within the agreed terms; otherwise the remainder of the account is due immediately following the issuing of an invoice.

Deposits

A deposit of 25% is payable for any work to be undertaken that is estimated to be worth in excess of \$1,000. The deposit is required prior to work commencing.

Accounts

Payment for new clients is due in full upon delivery and/or completion of work until such time that an account is setup. Payment of accounts is due on or before 7 days following the date of the invoice. Interest at 3.5% per month compounding on the current balance may be charged on overdue accounts and shall accrue on a daily basis starting from the due date.

HM reserves the right to repossess and/or hold any vehicle until the account is brought up-to-date. Storage fees will also be applicable at \$20 per day or part thereof.

In the event of default by the client in paying for the services and/or goods provided, the amount outstanding will be passed on to a debt collection agency for recovery. The client indemnifies HM against all costs (including legal costs), losses and expenses incurred by HM in recovering any unpaid accounts/bills.

Estimate

Where we have given an 'estimate' as opposed to a 'quotation' for any goods or services for supply to you, we will not be bound to charge a price which corresponds to that estimate where the cost of any purchases we have made for the purposes of the supply to you are in excess of our earlier understanding for the purposes of providing you with an estimate. Similarly; if any work undertaken by us is more than originally estimated, and this was not reasonably foreseeable or could not be more exactly determined without further investigation, then we are not bound to charge a price which corresponds to our estimate. Any estimate of price we may give is simply an opinion as to what the price may be. We cannot give any assurance that the final price will correspond to an estimate given. We will in some cases give a quotation, which will be marked as such, in which case our quotation will be binding on us.

Scope of Services

HM is primary point of contact for all systems on your vehicle. If HM is unable to remedy a problem, then HM will work with the appropriate outside vendor to endeavour to get a quote and resolution. Client understands that additional expenses may be incurred when an outside vendor is brought in to solve a particular problem and agrees to reimburse HM or any such expenses.

Force Majeure.

If delivery is prevented or delayed, in part or all, by reason of Act of God, or the consequence thereof, but not limited to fire, flood, typhoon, earthquakes, or by reason of riots, wars, hostilities, government restrictions, trade embargoes, strikes, lockouts, labour disputes, boycotting of goods, ship shortage, manufacturers bankruptcy, delays or damage in transportation or other causes beyond HM control. HM may, at its option, perform the contract or the unfulfilled portion thereof within a reasonable time from the removal of the cause preventing or delaying performance, or rescind unconditionally and without liability, this contract or the unfulfilled portion thereof.

Special Orders.

Insurance. All sales are made Free On Board at HM's premises and the customer shall, at its own cost, insure the goods, in HM's name, against such risks as a prudent owner of the goods would insure for at their full insurable value.

Substitution.

Delivery. HM may deliver the goods by instalments or partial shipment and the customer will accept each such delivery. Requirements of the customer shall not be a condition or the essence of the contract. HM shall be under no liability for any loss or damage either direct or consequential loss or damage to the customer arising from delay or postponement in delivery.
